Covid 19 - Letter to Inform

Dear Parents,

A member of our school community has tested positive for Covid-19. No one else in school has been identified as a close contact by the PHA as of yet but, as a matter of courtesy, I am letting you know.

There is no need to be concerned.

However, as per the current guidelines, if your child has not had a positive test, we would encourage you to

-
1. Do regular Lateral Flow Tests with your child
 2. Keep a very close eye for symptoms developing

Additionally, if your child is unwell, please keep him/her at home.

At school we have been very fortunate in that we have not experienced the levels of pupil and staff absence that other schools have recently. It is very important that we remain vigilant and continue to take all appropriate steps to keep everyone safe.

Many thanks for your understanding,

Mr K Black
(Principal)
