Dear Parent / Guardian,

I wish to inform you that a member of our school community has tested positive for Covid-19.

I have been in contact with the Education Authority and sought the most up-to-date advice from the Public Health Agency (PHA).

The pupils and staff that are affected by this news have been notified separately and will now be required to self-isolate at home; however, I would like to reassure you that if you have not been contacted, your child should attend school as normal.

I do appreciate the concerns of everyone within the wider school community and wish to reassure you that every precaution is being taken.

I must also inform parents that at the moment, our morning and afternoon clubs will not be open this week.

Ensuring the safety of pupils and staff is my absolute priority and I will continue to monitor the situation carefully and keep you informed.

Parents with any questions or concerns are welcome to contact me at:

info@ballytrea.stewartstown.ni.sch.uk

Kind regards,

Keith Black
(Principal)
